

Nationwide

Did you know the world's largest building society, Nationwide, is owned by its members?

Nationwide is the world's largest building society as well as the second largest savings provider and a top-three provider of mortgages in the UK. It is also a major provider of current accounts, credit cards and personal loans. Nationwide has around 15 million members.

With branches across the UK, and over 60 years experience, Nationwide offers expertise and experience at being a building society, looking after the interests of our members. Nationwide intend to deliver great value to our members as a modern, mutual building society for many years to come.

As a member of Nationwide, you can be sure that they put your interests first. Whether you're saving for the future, buying your home or enjoying the fruits of your retirement, it's good to know that they'll give you great value and service in a way that is fair and honest.

Nationwide has a straight forward approach to providing financial services which is incredibly straight-forward. They aim to offer a broad range of great value mortgages, savings and other financial products, while charging as little as possible for day-to-day services.

Nationwide take pride in doing our best for our members and championing the rights of all consumers. They fought for honesty and transparency in the credit card market and were the first provider to publish a Summary Box on all credit card information. The Summary Box highlights all fees and charges which most providers hide in their small print. All UK credit card providers publish Summary Boxes which enable consumers to compare cards from different providers, and allow them to make a more informed choice.
